**Data Claim:** The press release title stated "Capario Named Best in KLAS Indirect Clearinghouse in 2010 KLAS Study."

**Data Klarification:** The press release title had been reviewed and approved by KLAS; however, the statement "Best in KLAS" should not have been approved for this press release. Best in KLAS is a phrase reserved for the highest ranked solution or service in a Best in KLAS market segment of the *Top 20 Best in KLAS Awards* report. Capario was the highest ranked indirect clearinghouse service in the November 2010 specialty report, *Ambulatory Clearinghouse: Loaded Results and Broad Choices for Providers*. Navicure was the highest ranked vendor in the Claims and Clearinghouse Services market segment in the December 2010 *Top 20 Best in KLAS Awards: Software & Professional Services* report. In that later report, there was no division of the market segment by direct or indirect.

**Data Restatement:** The press release title should have stated "Capario Named Top Indirect Clearinghouse in 2010 KLAS Study." Capario was the highest rated indirect clearinghouse service in the November 2010 specialty report, *Ambulatory Clearinghouse: Loaded Results and Broad Choices for Providers*. The body of the press release was related to that report.
